

Page 96, after line 7, insert the following new subsection (and redesignate the succeeding subsections accordingly):

(f) PELL GRANT INCENTIVES.—Subpart 1 of part A of title IV of the Higher Education Act of 1965 is amended by inserting after section 401 (20 U.S.C. 1070a) the following new section:

SEC. 401A. PELL GRANT INCENTIVES.

“(a) PROGRAM AUTHORITY.—From the amounts appropriated pursuant to subsection (d), the Secretary shall establish a program to increase the Pell grant awards under section 401 during their first two academic years of undergraduate education to students who graduate after May 1, 1998, in the top 10 percent of their high school graduating class.

“(b) AMOUNT OF INCREASE.—The additional amount of Pell grant that shall be awarded under this section to any student who qualifies under this section shall be an amount equal to the amount for which the student is eligible under section 401 (determined without regard to the provisions of this section), except that if the amount appropriated pursuant to subsection (d) is less than the amount required to award such additional amounts to all such students, the additional amount awarded to each such student under this section shall be ratably reduced.

“(c) DETERMINATIONS OF ELIGIBILITY.—

“(1) PROCEDURES ESTABLISHED BY REGULATION.—The Secretary shall establish by regulation procedures for the determination of eligibility of students for increased Pell grant awards under this section. Such procedures shall include measures to prevent any secondary school from certifying more than 10 percent of its students for eligibility under this section.

“(2) COORDINATION WITH NEED ANALYSIS.—In prescribing procedures under paragraph (1), the Secretary shall ensure that the determination of eligibility and the amount of the increase in the Pell grant award is determined in a timely manner consistent with the requirements of section 482 and the submission of the financial aid form required by section 483. For such purposes, the Secretary may provide that, for the first of a student's two academic years of eligibility under this section, class rank may be determined prior to graduation, at such time and in such manner as the Secretary may specify in the regulations prescribed under this subsection.

“(d) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to award increased Pell grants under this section \$240,000,000 for fiscal year 1999 and such sums as may be necessary for each of the 4 succeeding fiscal years.”
